

Impact Analysis Summary of Findings and Actions CSE Training

Overview

The Impact Analysis ran from 26/07/2016 to 24/08/2016.

A total of 140 professionals attended CSE Level 2 and/or CSE Level 3 training between 1 January and 31 July 2016.

In total, 32 responses were received, which is a return rate of 22.85%. Of the 32 responses, 2 were received from Borough and District staff, 1 from a charity, 10 from Children's Services, 1 from the Early Years and Childcare Service, 5 from Education, 2 from Health, 2 from Police, 4 from Youth, 5 from Others (these include the SSCB, Hostel staff and Family Support Service).

Responses

See attached Surrey Says Report Jan-June 16. There is also a CSE Impact Analysis – Written Responses however this contains personal information and is therefore confidential).

SSCB Response

The SSCB CSE Partnership Manager is carrying out a CSE Training Review and will be using the Impact Analysis Results to support this. Details of the CSE Training Review will follow in due course.
